DALLMER**rain water hopper type 660, DN 100/DN 125**

Product No. **840769**
 EAN: 4001636840769
 Discount group: 3

for downpipes with d: 75, 90, 100 and 110 mm
 outlet DN 100/DN 125, vertical, fixed

specification

- leaf-basket
- trap insert
- self-closing flap-valve
- cleaning cover with handle

material

polypropylene

A self-closing flap-valve prevents foul air escaping. As this works without a water seal, protection from freezing is not necessary

Flow rate tested to DIN EN 1253
 (with 35 mm water over grate)
